## 700 ELAST-A-CRYLIC

100% ACRYLIC

MASONRY AND WOOD FINISH

EXTERIOR/INTERIOR

### DESCRIPTION

This premium 100% Acrylic finish designed for both interior and exterior. Elast-A-Crylic exhibits exceptional resistance to fade, chalk, mildew and acid rain. For use on properly prepared surfaces of wood and masonry as well as primed metal. This premium 100% acrylic flat finish is manufactured using the finest raw materials available, and will give you a beautiful completed project for many years to come. The flat finish and exceptional ability to touch-up, makes this an ideal product for concrete tilt-up buildings and masonry with cosmetic flaws.
